Mounts for Philips-monitor

Suitable for Philips monitors: **MX 450, MX 550, MX 600, MX 700, MX 800**
MP 30, MP 40, MP 50, X2

In case of order, please specify the type of monitor

Item-no.	Name	Image	
Mounting on table / Adaption 78338A			
M-5013_B	Carrier for Philips monitor adaptable to 78338A - to be used with Philips Table Top Mount - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - with locking lever - loading capacity: up to 15 kg		
Mounting on table			
M-5100	Carrier for Philips monitor for mounting on table - to be used with Philips Table Top Mount - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - loading capacity: up to 15 kg		
Mounting on devices			
M-23397	Carrier for Philips monitor for mounting on devices, (e.g. on Primus anesthetic machine) - to be used with Philips Table Top Mount - mounting over 4 self-locking screws M8 - with counter plate, hole pattern: 80 mm x 80 mm - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - loading capacity: up to 15 kg		

Item-no.	Name	Image Illustrations with Philips Table Top Mount. Not included!	
Mounting on horizontal standard rail 25 x 10 mm			
K-5756_LK	<p>Holder for Philips monitor, long node, for mounting on standard rail 25 mm x 10 mm</p> <ul style="list-style-type: none"> - to be used with Philips Table Top Mount - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - throat depth: 205 mm - loading capacity: up to 15 kg 		
K-5756_LK_HST	<p>Holder for Philips monitor, long node, with retaining bar for mounting on standard rail 25 mm x 10 mm</p> <ul style="list-style-type: none"> - to be used with Philips Table Top Mount - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - throat depth: 205 mm - loading capacity: up to 15 kg 		
K-5760	<p>Holder for heavy weight Philips monitor for mounting on standard rail 25 mm x 10 mm</p> <ul style="list-style-type: none"> - to be used with Philips Table Top Mount - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 10^\circ$ - throat depth: 352 mm - loading capacity: up to 15 kg 		
K-23410	<p>Small support arm, movable, with cable holder claw, for Philips monitor for mounting on standard rail 25 mm x 10 mm</p> <ul style="list-style-type: none"> - to be used with Philips Table Top Mount - small support arm, casting, with cable channel - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - with cable holder claw in white - total throat depth: 387 mm - loading capacity: up to 15 kg 		
K-23410_S	<p>Small support arm, movable, with long cable holder claw, for Philips monitor for mounting on standard rail 25 mm x 10 mm</p> <ul style="list-style-type: none"> - to be used with Philips Table Top Mount - small support arm, casting, with cable channel - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - with long cable holder claw in white - total throat depth: 387 mm - loading capacity: up to 15 kg 		

Item-no.	Name	Image	
Mounting on horizontal standard rail 25 x 10 mm			
<p>K-5792</p>	<p>Swivel arm with cable holder claw, for Philips monitor for mounting on standard rail 25 mm x 10 mm - Swivel arm with integrated cable channel, throat depth max.: 450 mm, loading capacity: 8 - 16 kg height adjustment approx.: 350 mm - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ -with cable holder claw and covers in white - total throat depth: 572 mm - loading capacity: up to 15 kg</p>		
<p>K-5792_S</p>	<p>Swivel arm with long cable holder claw, for Philips monitor for mounting on standard rail 25 mm x 10 mm - Swivel arm with integrated cable channel, throat depth max.: 450 mm, loading capacity: 8 - 16 kg height adjustment approx.: 350 mm - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ -with long cable holder claw and covers in white - total throat depth: 572 mm - loading capacity: up to 15 kg</p>		
Mounting on wall or carrier rail			
<p>K-5761</p>	<p>Holder for heavy weight Philips monitor for mounting on wall or carrier rail - to be used with Philips Table Top Mount - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 10^\circ$ - throat depth: 357 mm - loading capacity: up to 15 kg</p>		
<p>K-23411</p>	<p>Small support arm, movable, with cable holder claw, for Philips monitor for mounting on wall or carrier rail - to be used with Philips Table Top Mount - small support arm, casting, with cable channel - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - with cable holder claw in white - total throat depth: 392 mm - loading capacity: up to 15 kg</p>		
<p>K-23411_S</p>	<p>Small support arm, movable, with long cable holder claw, for Philips monitor for mounting on wall or carrier rail - to be used with Philips Table Top Mount - small support arm, casting, with cable channel - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - with long cable holder claw in white - total throat depth: 392 mm - loading capacity: up to 15 kg</p>

Mounting on GCX-rail			
K-5763	Holder for heavy weight Philips monitor for mounting on GCX-rail - to be used with Philips Table Top Mount - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 10^\circ$ - throat depth: 349 mm - loading capacity: up to 15 kg		
K-23413	Small support arm, movable, with cable holder claw, for Philips monitor for mounting on GCX-rail - to be used with Philips Table Top Mount - small support arm, casting, with cable channel - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - with cable holder claw in white - total throat depth: 384 mm - load capacity: up to 15kg		
K-23413_S	Small support arm, movable, with long cable holder claw, for Philips monitor for mounting on GCX-rail - to be used with Philips Table Top Mount - small support arm, casting, with cable channel - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - with long cable holder claw in white - total throat depth: 384 mm - loading capacity: up to 15 kg		
Mounting on tube d = 36 to 40 mm			
K-5762 – RD38	Holder for heavy weight Philips monitor for mounting on tube d = 36 - 40 mm - to be used with Philips Table Top Mount - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 10^\circ$ - throat depth: 348 mm - loading capacity: up to 15 kg		
K-23422	Small support arm, movable, with cable holder claw, for Philips monitor for mounting on tube d = 36 - 40 mm - to be used with Philips Table Top Mount - small support arm, casting, with cable channel - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - with cable holder claw in white - total throat depth: 384 mm - load capacity: up to 15kg		
K-23422_S	Small support arm, movable, with long cable holder claw, for Philips monitor for mounting on tube d = 36 - 40 mm - to be used with Philips Table Top Mount - small support arm, casting, with cable channel - mount for monitor turnable $\pm 90^\circ$, inclinable $\pm 15^\circ$ - with long cable holder claw in white - total throat depth: 384 mm - load capacity: up to 15kg
